## PROFILE

A seasoned UX Design Lead with more than 15 years of experience in leading teams and crafting innovative user experiences. Proven track record of identifying pain points and creating effective solutions. Seeking a challenging role that offers opportunities for growth and learning.

## EXPERIENCE

### UX DESIGN LEAD

Fiserv, Inc. | 2014 - Present

- Led a team of 20+ engineers, business analysts, and UX designers.
- Managed UI/UX design, documentation, and front-end development (HTML, JavaScript, CSS).
- Supported and defined company-wide UI initiatives, improving user engagement and establishing cohesion across brands.

### CREATIVE DIRECTOR

BusenTech, LLC | 2008 - 2014

- Directed creative vision and UI/UX for all projects.
- Managed creative assets, client communications, and time estimates.
- Collaborated with notable clients including Ford Motors, Boch, Nestle, and Callaway.

### FREELANCE DESIGNER/DEVELOPER

1994 - 2014

- Delivered hundreds of digital projects as a designer and full-stack (LAMP) developer.
- Notable clients include Fox Broadcasting, Pfizer, Smirnoff, Heineken, and Kettle One.

### LEAD DESIGNER

ForeSite Technologies | 2004 - 2008

- In charge of requirements gathering, quoting, and scheduling.
- Led a team of designers in building best-of-breed websites and web applications.
